10. **Write to the Board of Trustees** to tell them that there is still time to reverse their decision. It is important to address them as individuals not as a group. (Divide and Conquer) So contact Ricardo, Patty, Karen, Patricia, Chris, James and all the rest. You can also **write to the Governor of Illinois**, Pat Quinn, who appointed nine of the trustees. He is currently running for re-election. Tell him your concerns. Say you are disappointed with board that he appointed. Give him a tweet: [@GovernorQuinn](https://twitter.com/GovernorQuinn)
